Draft Strathfield 2040 Local Strategic Planning Statement (LSPS)

Strathfield Council has prepared draft *Strathfield 2040*, the Local Strategic Planning Statement (LSPS) for the Strathfield Local Government Area (LGA).

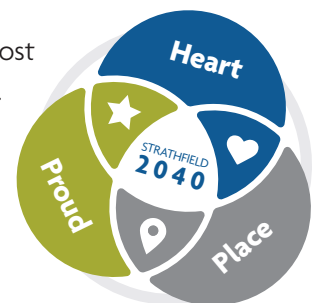

Strathfield 2040 defines our 20 year land use vision, consolidates local land use planning priorities and considers future local employment, housing, transport and environmental management options.

Council encourages all members of the community to review the document and provide feedback. Help shape the future of our area. At the conclusion of the exhibition period Council will compile and analyse all the feedback received and make amendments to the LSPS where required.

The public is invited to provide feedback by 5pm, 8 November 2019. Please address all submissions to the CEO, Strathfield Council and send to council@strathfield.nsw.gov.au or post to PO Box 120, Strathfield NSW 2135.
